

OVERVIEW

The RL Series consists of premium wall-mounted reading and task lights designed for residential, commercial, and hospitality interiors. Featuring a classic round base and a precision-crafted adjustable head that pivots for optimal positioning, each fixture is finished in triple-plated chrome for long-lasting elegance and durability. Compatible with both 12VDC and 24VDC systems, the RL Series delivers 85 lumens of soft, comfortable illumination through a diffused lens—ideal for reading nooks, bedside lighting, office environments, and accent lighting applications.

FEATURES

- STAINLESS HARDWARE
- DIFFUSED GLASS LENS
- CREE LED
- PLATED ALUMINUM BODY
- EASY OPERATION
- LONG SERVICE LIFE
- ENERGY EFFICIENT
- LOW HEAT
- SWIVEL HEAD
- WIDE INPUT VOLTAGE
