

OVERVIEW

The DR09 Courtesy Lights are premium wall-mounted accent fixtures designed for architectural, residential, and commercial settings. Featuring a durable 316 stainless steel bezel and aluminum body, they're built for long-lasting performance in both indoor and outdoor environments thanks to their IP65 rating. Operating on 10-30 VDC and consuming only 1.5W, they're highly energy-efficient while offering a choice of warm white (2900-3100K) or natural white (3800-4100K). Available in variations that emit light from one side or both sides, this line provides flexible, elegant illumination for pathways, hallways, stairs, and feature walls.
